THE AMERICAN AIRLINES THEATRE

Hello New York!

Welcome to our 17th annual **The 24 Hour Plays on Broadway!** Since 1995, we've brought extraordinary artists together to create time-limited theater around the world. From London to Dublin, Los Angeles to Finland, Minneapolis to Mexico City and beyond, our work galvanizes creative communities and raises needed funds for arts education.

New York City is our home and The 24 Hour Plays on Broadway is our flagship event, as well as our favorite night of the year. By being with us tonight, you're supporting our non-profit organization that brings creative communities together worldwide.

Through **The 24 Hour Plays: Nationals**, we create the opportunity for young actors, directors, playwrights and producers to make work with their peers and build relationships that serve them throughout their careers. We arm the best of the next generation of theater artists with what they need to find their way in this business—each other. Serious professional development for young theatermakers is rare, but here's what makes this program singular: we make it available absolutely free.

This year, we're proud to celebrate and support our friends at **The Lilly Awards**, who honor the outstanding accomplishments of women in theater and advocate for gender parity. In this moment, both in our industry and our country, I can't think of a better organization to stand alongside. You'll learn more about their work this evening.

Along with The Lillys, we recognize tonight the singular achievements of **Marsha Norman** with our **Artistic Advocacy Award**. As Julia Jordan puts it, "Marsha led the charge for gender and racial parity in the American theater for decades, long before it was a commonly accepted goal."

On and off stage, artists rely on their communities for needed support during difficult times in their work and in the world. By being here tonight, you've joined us for an evening of arts and entertainment, community and conversation.

Thank you for your tremendous support and for being with us tonight!

Best wishes,
Mark Armstrong
Executive Director

Mark Armstrong has been the Executive Director for The 24 Hour Plays since 2015. **Raúl Castillo** is really looking forward to moving back to Brooklyn. **Josh Charles** dedicates tonight to Stagedoor's Michael Larsen. **Jackie Cruz** Latinx Broadway debut. **John Doman** Born and raised in Philadelphia and been living in New York for 45 years. **Rachel Dratch** Finds the one-line bio to be the most challenging part of the process. **Jennifer Esposito** I truly love going to the dentist. **Joel Marsh Garland** is completing the trifecta. **Tavi Gevinson** Panicked. **Michelle Gomez** Actor type person. From London to Broadway in 1000 easy steps. **Amy Hargreaves** New York based actor and mom! **Nina Hellman** loves acting and is thrilled to be in this wonderful company of actors. **Russell G. Jones** Formerly Russell G. Jones now Elz's husband and Bolden's father. **Mia Katigbak** is the Artistic Producing Director & CoFounder of NAATCO, National Asian American Theatre Co. and has acted all over off-Broadway. **Lola Kirke** is a musician and actress, known mostly for her work in "Gone Girl", "Mistress America", and Amazon's "Mozart in the Jungle". **Lela Loren** ... clearly I overthink things, and I like bugs. **Ebon Moss-Bachrach** is a longtime fan and first time participant in The 24 Hour Plays. **Elizabeth Rodriguez** dedicates tonight to Stagedoor's Michael Larsen. **Jonathan Marc Sherman** dedicates tonight to Stagedoor's Michael Larsen. **Miriam Shor** Stage: Original cast Hedwig and the Angry Inch; TV: Younger. **Lois Smith** This is not my first play. **Justice Smith** Happy to be here. **Yul Vázquez** dedicates tonight to Stagedoor's Michael Larsen. **Fernanda Coppel** Playwright. Screenwriter. Scrappy AF. **Leslye Headland** I just watched the Joan Didion documentary on Netflix so I'm a little out of it. **Chisa Hutchinson** Is just happy to not be sitting in a cubicle anymore. **David Lindsay-Abaire** is relieved he wasn't indicted today. **Martyna Majok** ... Hope she doesn't fuck this up. **Molly Smith Metzler** Playwright, brought pineapple from Los Angeles for you all :) **May Adrales** A director who is thrilled to be a part of 24HP. <<Mayadrales.net>> **Carolyn Cantor** Happy to be here. Loves Marsha and The Lilly Awards. Resist. Stay human. Be kind. **Warren Leight** is happy to be back -- and happier still to be directing tonight. **Shelley Butler** Loves to direct new plays - not usually THIS new! **Jessica Stone** I love spaghetti. **Kate Whoriskey** My last show was Sweat. **Judy Merrick** Tax the rich feed the poor. **Courtney Iriarary** No one is naked, you're welcome/sorry? **Zach Murphy** I read that fish get depressed, so I sang to them this morning & they didn't respond, now I'm depressed. **Kate DeWall** Getting vomit on you is not the same as getting vomited on, however, it is equally as gross. **Bart Fasbender** What? **Laura Voegel** runs the salon but knows nothing about hair or makeup. Whoopsie! **Amy Richards** is still on Mountain Time. **Kara Kaufman** is here solely thanks to coffee. **Kat West** Sometimes you feel like a , sometimes the country is run by one. **Genevieve Angelson** I did an endive salad that knocked the critics on their asses. **Orlando Pabotoy** having the biggest smile with the worst headache. **Michael Shannon** has been spreading joy to the masses for over 25 years now and he has no intention of stopping despite the dictates of common sense and clear thinking. **Brett Gelman** is an actor who wonders every day, "are Jews white?"
